

New: Upcoming Road Closure | September 23rd - estimated two-week duration

Beginning Wednesday, September 23, 2026, Hazelwood Street will be closed at the point indicated in red on the map below. Access to the Emergency Department Entrance will remain open from Hazelwood. Signage will be updated to re-route traffic. See the images below for the detour path.

Access to the Emergency Department Entrance will remain open from Hazelwood

There is a possibility that it may reopen sooner depending on the progress of work. If questions come up that you cannot answer, please escalate them to department leadership so we can provide timely support and keep information consistent.
